Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Trees and Landscaping
Comments:	Billingshurst Parish Council's Planning and Environment Committee resolved to object to the application at its meeting on January 7th 2025, on the following basis - The application lacked clarity, specifically with regards tree No.2, referred to as an apple tree although this was unclear from the photo provided. Members had no objection in principle to the removal of a smaller apple tree - tree No.1 - if it was no longer producing fruit, with re-planting in substitution.

However, overall the application was felt to be flawed, which prevented an informed decision.

Kind regards
