Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The conditions subject to this permission were imposed as a result of the position statement issued by Natural England in September 2021 requiring all development in Horsham to demonstrate water neutrality. As a result of an agreement between Natural England, Southern Water and the Environment Agency, this statement has now formally been withdrawn and individual development proposals in Horsham are no longer required to demonstrate water neutrality. We are therefore seeking to remove Water Neutrality conditions 18,24 and 25 from the permission:

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The conditions are requested to be fully removed.
