Hello,

I would like to submit my objection to the planning reference DC/26/0266 please. The reason being it is not compliant with the Thakeham neighbourhood plan which has legal structure until 2031 and this overdevelopment of such a small rural village is not acceptable as we have inadequate local infrastructure for example education and transport and so therefore it is not compliant with the national planning policy framework. There will also be a significant increase in local traffic through the village. Thakeham simply cannot sustain more multi house developments.

Many thanks,
