

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Horsham District Council FAO: Jacques Burrowes
FROM:	WSCC – Highways Authority
DATE:	3 March 2026
LOCATION:	Land at 516852 130723 Freshwater Parade Bishopric Horsham West Sussex
SUBJECT:	DC/26/0119 Installation of 1No. BT Street Hub Unit and associated advertisement panels on either side of the unit.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

The existing pedestrian provision will not be impacted by the proposed Street Hub. No objection in terms of Highway Safety. Please note that works on the Public Highway requires a licence/agreement from WSCC.

However, although outside of WSCC jurisdiction as Highway Authority, it would be advisable to consult with the Bus companies and WSCC Public Transport Team with regards to visibility for drivers on approach to the bus stop. Is it still possible for drivers to see passengers waiting at the stop or is the view obscured by the proposed signage?

INFORMATIVE

Works within the Highway – Area Office Team

The applicant is required to obtain all appropriate consents from West Sussex County Council, as Highway Authority, to cover the off-site highway works. The applicant is requested to contact the Area Highway Manager (01243 642105) to commence this process. The applicant is advised that it is an offence to undertake any works within the highway prior to the agreement being in place.
