Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	WGPC wish to reiterate their previous comments: that HDC should REFUSE this application. The recent decision to delegate this area as countryside means that this application falls outside of the secondary settlement boundary (see application DC/24/1888) and would therefore constitute development in the countryside. The Parish Council also consider the scale and massing of this proposed property to be too great.

Kind regards
