Town House Farm - House Extension

Three Oaks Farm Lane
Nick Willson Architects
2021

Ifold

A low rise new build contemporary house with expansive floor to ceiling glazing isolated from neighbouring buildings and with public footpath to the north PLA3236.

North Farm
Keith Williams Architects
2021

Cowfold

A 2 storey minimalist extension to a traditional farm house and barn providing a bold juxtaposition of old and new.

Burys Gate Farm
Sandy Rendel Architects
2023

Pulborough

A 2 storey replacement dwelling, with large floor to ceiling glazing, visible from the public highway to the south

Mount Farm
James Wells Architects
2021

Pulborough

A single storey glazed pool house which sits comfortably alongside an arrangement of traditional barns

Precedent - Contemporary Architecture

12.01 Within the local context of Horsham district and environs there are a number of recent architectural works which are relevant to this application, and demonstrate that contemporary architectural design can sit comfortably alongside traditional buildings and within the sensitive landscape context of West Sussex.
