Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	I live directly opposite the land where this proposed development will go. Access onto Crawley Road is already a nightmare for us due to the number of cars already using the road plus the speed at which these driver drive at. (Most coming around the corner out of Horsham at over 40 mph). Having another 120 houses with a further 240 cars on this road, with access to the site directly opposite my shared driveway will make this near enough impossible for me to get into and out of my property which I own

and do not rent! In addition to this the noise level will increase by fold on a already busy. These developments make it near impossible to sell my property which I am fast growing out of due to my family size increasing.

Kind regards
