Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	I am vehemently opposed to this development, in a district which is rapidly becoming nothing more than a conurbation. Far too many of the district's green spaces are being concreted over with characterless housing estates, which destroy the local ecology and environment and bring further strain to the already creaking infrastructure in the district. Furthermore, this is yet another development in the green space that separates Crawley and

Horsham. Building upon it is yet another insidious step towards the formation of "Crawsham" !

Kind regards
