Categories: Consultations

FAO: Matthew Porter

Dear Matthew,

West Sussex Fire & Rescue Service consulted on planning application No. DC/26/0322 for the Part-demolition of existing teaching buildings, MUGAs and all-weather pitch. Construction of replacement 2-storey and 3-storey teaching buildings, flood-lit all-weather pitch, and hard surfaced sports courts, with associated access, parking, landscaping, and infrastructure; on 21st May 2026 asking for more details regarding the alternative water supply being provided as an alternative to a fire hydrant. Also asked for evidence that all buildings on site have suitable access for a fire appliance to with 15% of the perimeter or within 45m of every point of the footprint of the building, whichever is less onerous.

As there are no further details have been provided WSFRS have no further comment to make at this time.

Regards
Ian
