Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	This puts even more pressure (run off) on the River Adur which affects areas downstream already under water for many weeks most of the year (Pulborough). I would also be concerned about traffic entering the A281 from that site. Entering the A281 from Hammerpond Road/Sedgewick Lane is already a horrible experience.

Kind regards
