Address: 3 St. Leonards Road Horsham

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	I'd like to object against this development. It seems ludicrous that it's even being considered! The surrounding roads are not suitable to cope with this amount of traffic-junctions all around the development are already very busy and this will create many more problems with extra traffic at all junctions around Brighton Road/Doomsday/Sandeman way/St Leonard's Road.

I believe it will have a negative impact on the surrounding river with the loss of natural soak away it will create more flooding and run off into the horn brook and into the Arun where it's already a problem at Kerves lane and further downstream.

Kind regards
