Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Trees and Landscaping
Comments:	I object to the four houses being built on the field , the road is a single track without passing places, enough cars now have to reverse back up the lane to allow a vehicle to pass adding 4 new houses will only add to the traffic, the houses will be built under the flight path, will they be entitled to yearly compensation?

Kind regards
