Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	I fully support this application, it would be great for the whole community to not only enjoy, it will also enhance the area. With a lot of people from the community already using these facilities, it is definitely in need of updating and redeveloping. The new clubhouse will look great in the surroundings.

Kind regards
