Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	Another month and another application from Mr Sutton to turn this part of Lock into a leisure facility. Innumerable comments have been made by neighbours and the parish council in the past about congestion on Lock Lane, water neutrality, wildlife, encroachment on the peaceful rural environment enjoyed by the people who live here etc etc. you do not want repetition so I will merely reference all the other applications of the past year. To date Mr Sutton has received permission to create innumerable new dwellings, how many more a going to come along? This holiday park should be halted it is totally unfair to the people that live in this rural area.

Kind regards
