Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Privacy Light and Noise
Comments:	I am writing on behalf of the Horsham Society to object to this application on the grounds of additional noise and nuisance to the neighbouring retirement complex. The current planning permission and restrictions on hours of operation should be maintained. We have noted the objection from a resident in Manton Court which suggests the current restrictions may not be being strictly enforced and we would asked that this be followed up.
