Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Overdevelopment
Comments:	I am writing on behalf of the Horsham Society to object to this application. In our view an extension to create ancillary accommodation should be attached to the original building. Furthermore, were a separate ancillary dwelling to be found agreeable in principle the expectations regarding quality of design and materials should be the same as for any other new dwelling. On this test the proposed design falls far short of what should be expected. [REDACTED] Secretary, Planning Sub Committee
