Reasons for comment:	
Comments:	A fantastic opportunity for Steyning and its residents. The Cricket Club has been running for hundreds of years and has been a fantastic asset for the town and a great opportunity for young people to get involved with sport, learning a variety of team skills that set them up for the future. This will be a great facility for the continued support of the future of Steynings legacy to Cricket The new design looks stunning and will really compliment the

MPF. Fully support and excited to see the Cricket Club have a spot where they can continue to support Steynings community.

Kind regards
