Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	This loss of this area would have a big impact on my own and my families quality of life. We regularly walk with our 6 month old son over these fields and enjoy the open green space. This would negatively impact my son's childhood experience as the childhood and quality of life of many children and families.

Kind regards
