Dear Planning Dept

Planning Application ref. DC/25/0314

As I am unable to use email I am sending this letter to protest at one aspect of the application to rebuild at 32 Denne Road, Horsham. I object to the inclusion of a window, as illustrated in the proposed section BB and facing north, as it will offer a clear view from the premises right over our garden, which until now has benefited from complete privacy. There is no shortage of other windows in the proposed plans, and there seems to be no reason for this one, which will have such a detrimental effect on us, as neighbours, and will be highly intrusive. Therefore I believe that this aspect of the plans, which seems so unnecessary, should be rejected.

Yours sincerely
