Hi Halima

DC/25/0377 Demolition of existing stables and store and erection of a stable building. Downsview Grange East Street West Chiltington West Sussex RH20 2LU

We have received a re-consultation for the above application. However, our response dated 9th May was for 'no objection subject to conditions' and this was accompanied by a bat HRA screening report. As far as we can see there has been no additional ecology information. The subsequent Natural England responses relate to water neutrality and to no objection in relation to statutorily protected sites.

Please let us know of any queries.

Best wishes
Sue
