VAT REG NO. 620 6915 53

TERMS AND CONDITIONS OF BUSINESS OF PREMIER WINDOWS DOORS AND CONSERVATORIES LIMITED

THESE TERMS AND CONDITIONS SHALL NOT AFFECT THE STATUTORY OR COMMON LAW RIGHTS OF THE PURCHASER

1. All terms of the Contract between the Purchaser and the Company are contained in this document. No oral representations or warranties are made or given by the Company save as appear herein and in particular no guarantee representation or warranty is given that the proposed works will reduce, eliminate or render any premises free from condensation. No variation of or addition to the specification of works specified in the Schedule overleaf shall have effect unless agreed in writing under the signature of a duly authorised officer of the Company.
2. The Purchaser shall grant the Company's employees access to the Installation Address at reasonable times for the purposes of taking measurements and of carrying out the works specified.
3. The balance of the purchase price payable to the Company with all VAT shall be paid upon delivery of the glazing installation ordered ('the installation') or upon the fixing of the Installation being completed where fixing is part of the contract. Payment shall be in cash or by way of cheque or money order payable to Premier Windows Doors & Conservatories Ltd, and cross 'A/C Payee only'. When payment is not made on the due date in accordance with this condition the Company shall have the right to require payment on the outstanding amount at a rate of 2% per month from the due date until the date of actual payment.
4. Until payment in full is made the Company will retain ownership of the installation, but the Purchaser is responsible for the Installation or products once delivered to the Installation Address.
5. Representative's samples are used only to demonstrate a typical window and its composition. Window(s) and door(s) shown in Schedule overleaf will be measured and manufactured in the way considered suitable by the Company and pursuant to the Company's policy of continuous improvement to its products it reserves the right to make any necessary modifications.
6. All products supplied will be of satisfactory quality and fit for their normal purpose.
7. If the Installation is not completed within the estimated delivery period quoted overleaf to the Purchaser the Purchaser may serve notice on the Company requiring that the installation be completed within such reasonable period as the Purchaser may specify (in general the Company would accept ten weeks as being reasonable). If the Installation is not completed within such extended period the Purchaser may cancel the uncompleted work covered by the Contract by the service of written notice to that effect on the Company. Notwithstanding the foregoing.
8. The Company shall not be liable for any delay in the completion of the Installation which arises from causes beyond the control of the Company and in the event that time has been made the essence of the Contract, time shall not run during any period when delay for that reason is operating and
9. Cancellation of any uncompleted Installation shall be without prejudice to the Purchaser's liability to pay for such part of the Installation as has been completed.
10. In the event that the Purchaser insists against the Company's advice on ordering a glazed Installation of a size or style which results in the Company's recommended maximum size for a particular area of glass being exceeded (and this in fact is noted on the order overleaf) the Company shall not be responsible for any damage caused and the Company's Guarantee shall not apply to any defect which is the result of the Installation of such an oversize glazing unit.
11. The Company will make good any reasonable damage caused by its employees in the course of Installation to plaster, floor, rendering or brickwork immediately surrounding any window or door installed but does not undertake to provide matching ceramic or other tiles or specialised finishes (such as pebble dash) or to avoid damage to surrounding wallpaper or paintwork or to remove intact any panes of glass or frames from old windows required to be retained by the Purchaser. The Company accepts no responsibility for any damage resulting from structural or other defects in Installation Address.
12. Any complaint or claim by the Purchaser for compensation for damage done by the Company's employees for which it may be liable under these Terms and Conditions should be made in writing to reach the Company within 14 days of installation.
13. All glass used is the best available, but glass manufacturers will not give a guarantee covering minor imperfections and the Company cannot be held responsible for any such imperfections.
14. The Company is not responsible for advising upon or obtaining local authority approval for these works unless it is quite clearly stated on the order form that the Company is to obtain permission on behalf of the Purchaser. Costs for this approval will t
15. The Company is not responsible for any base brickwork or foundation which was not con constructions which malfunction as a result of movement in the brickwork/foundation.
16. Supply only contracts -the Company cannot guarantee products that are incorrectly fitted t

CANCELLATION RIGHTS

17. Where the Contract in respect of the Installation is negotiated other than at any premises any application for credit arranged by the Company may be cancelled by the Purchaser the Company. This must be sent or delivered to the Company's office within 7 days of the is recommended that any cancellation is sent by recorded delivery to the address overleaf deposit paid by the Purchaser will be returned in full.
18. In the event of receipt of references for the Purchaser which are deemed unsatisfactory by any credit reference agency, financial provider or the Company, the Company reserves the right to cancel this order, and will give reasons in writing.
19. In the event that the survey that the Company will make in order to assess and measure the proposed Installation is unsatisfactory or results in an increased estimate of the cost of Installation or any different works then the Company will inform the Purchaser of this in writing and any revised cost of specification of the Installation and:-
    1. the Purchaser may then either accept the revised cost and/or specification or cancel the order within 14 days of notification or
    2. the Company may cancel the order within a further period of 14 days if no such acceptance or cancellation is received

    All such acceptances or cancellation notices will be in writing. The company reserves the right to cancel any contract if the company surveyor considers that the work cannot be carried out successfully.
20. Subject to the foregoing provisions of Conditions 17, 18 and 19, upon the signing of by the Purchaser and a duly authorised representative of the Company in the form of acceptance overleaf a binding contract will be created and such contract shall not be subject to cancellation by either party. Without prejudice to its right to claim damages for breach of contract the Company may at its sole discretion agree to a Purchaser's request for the cancellation of an order which the Purchaser has no right to cancel upon the payment to the Company of all expenses incurred by it prior to the date of cancellation.

GUARANTEE

Subject to the exclusions below the Company undertakes to the Purchaser only to repair or replace free of charge any product installed which proves defective as a result of faulty materials or workmanship within ten years from the date of installation subject to receipt of the whole balance of the Purchase Price. This guarantee does not apply to surface finishes where a deterioration does not impair the function of the parts supplied. It is the responsibility of the Purchaser to ensure that all moving parts, handles, hinges etc are adequately and properly oiled and maintained during this 10 year period. Any service call made which is not covered under these conditions will be chargeable at the companies current rates.

Exclusions:

This guarantee excludes all alarms, mechanical and electrical vents, fans, electrically operated items, letterboxes and plumbed in items such as radiators, which are covered by manufacturer's warranty.

All timber products are guaranteed for five years.

Sealed units only where fitted into Purchaser's existing UPVC products are guaranteed for five years and where fitted into existing aluminium products are guaranteed for two years.

THIS GUARANTEE is in addition to your Statutory rights
THIS GUARANTEE is not assignable by the Purchaser
