Former Longfield House East Street Rusper West Sussex

The Authority has considered your application, and I can confirm that the submitted information is acceptable pursuant to the following condition(s):

8. **Pre-Occupation Condition:** No part of the development hereby permitted shall be first occupied until full details of all hard and soft landscaping works have been submitted to and approved, in writing, by the Local Planning Authority. The details shall include plans and measures addressing the following:
- Details of all existing trees and planting to be retained
 - Details of all proposed trees and planting, including schedules specifying species, planting size, densities and plant numbers and tree pit details
 - Details of all hard surfacing materials and finishes
 - Details of all boundary treatments

The approved landscaping scheme shall be fully implemented in accordance with the approved details within the first planting season following the first occupation of any part of the development. Unless otherwise agreed as part of the approved landscaping, no trees or hedges on the site shall be wilfully damaged or uprooted, felled/removed, topped or lopped without the previous written consent of the Local Planning Authority until 5 years after completion of the development. Any proposed or retained planting, which within a period of 5 years, dies, is removed, or becomes seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: To ensure a satisfactory development that is sympathetic to the landscape and townscape character and built form of the surroundings, and in the interests of visual amenity in accordance with Policy 33 of the Horsham District Planning Framework (2015).
