Dear Mr Burrows,

I write in SUPPORT of application DC/26/0710 for the change of use of youth day centre to community centre.

The more open access to more of the community would be a great improvement for community facilities in Billingshurst.

With no other changes requested and hirers already abiding by the Council's hire policy there has never been an issue here for the years its been in use as a youth centre but to be used by wider age group would be amazing for the community.

Kind Regards,
