Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	The Parish Council objects to this application on the grounds of overdevelopment, inaccurate plans, and loss of amenity. The plans submitted do not accurately reflect the extensive amount of hardstanding that has already been implemented on site. The actual tarmaced area is significantly greater than what is described in the application. This unauthorised increase in hardstanding has resulted in a severe loss of visual and rural amenity, leading to the overdevelopment of the countryside.

Kind regards
