Dear Ms Burstow

**M Bar
Variation of Premises Licence**

Your application for a Variation of the premises licence for M Bar, 19 Piries Place Horsham, RH12 1EH has been determined and the Premises Licence and Premises Licence Summary is attached with this email.

Further to the discussions with Licensing Officer Duncan Williams during the consultation period, this is to reconfirm that Planning permission has been granted for usage of the outside space, for a temporary 12-month period, this is to allow for an assessment of the impact on neighbouring amenity. As discussed, Planning takes priority over Licensing in these matters.

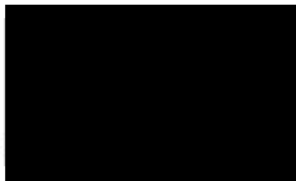

The certificate, (Part A) document, or a certified copy thereof should be retained in safe place on the premises where it can be shown to the police or any other authorised person on demand.

The certificate summary, (Part B) document, or a certified copy thereof **MUST** be displayed on the premises in a prominent position where it can be easily read by anyone, including members of the public who enter the premises.

Your address has also been updated as advised.

If you wish to discuss this application then please contact the Licensing Department.

Yours sincerely,

Marc Rankin
Public Health and Licensing Manager
