Please see below the information you requested via your 2nd July 2025 letter.

T1 - Current tree height - 10meters
T1 - Proposed tree height - 8.5meters
T1 - Proposed reduction - 1.5meters

T2 - Current height - 10meters
T2 - Proposed height - 8.5meters
T2 - Proposed reduction - 1.5meters

T3 - Current height - 10meters
T3 - Proposed height - 8.5meters
T3 - Proposed reduction - 1.5meters

T4 - Current height - 10meters
T4 - Proposed height - 8.5meters
T4 - Proposed reduction - 1.5meters

T5 - Current height - 10meters
T5 - Proposed height - 8.5meters
T5 - Proposed reduction - 1.5meters

T6 - Current height - 10meters
T6 - Proposed height - 8.5meters
T6 - Proposed reduction - 1.5meters

We are not proposing in reducing the height of the tree trunks. We would like to reduce the height of the skyward reaching branches only.

I hope this answers your query, but happy to provide further clarifying information.

Kind regards,

Peter Dawkins
