| Reasons for comment: | <ul style="list-style-type: none"><li>- Overdevelopment</li><li>- Privacy Light and Noise</li></ul>                                                                                                                                                                                                                                                                                                             |
| Comments:            | I am objecting to the proposal for the extension because I do not want to be subjected to more noise pollution and the opportunity for overcrowding when the development is finished. There is no consideration for our peace and mental wellbeing whilst the work is taking place and there will definitely be an invasion of privacy and we will be overlooked which I feel will impact our properties value. |

Kind regards
