

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Horsham District Council FAO: Marie Riggs
FROM:	WSCC – Highways Authority
DATE:	9 June 2026
LOCATION:	Oakleigh Surgery, High Street, Horsham, RH13 8HX
SUBJECT:	DC/26/0649 Erection of a front and side extension with enlargement of roof and installation of rooflights, and associated alterations.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	Advice

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals.

This application is for the erection of a front and side extension with enlargement of roof and installation of rooflights, and associated alterations. The site is located on High Street, a B-classified road subject to a speed restriction of 30 mph.

There are no proposed changes to the existing access and parking arrangements. The LHA does not anticipate that the proposals would give rise to a material intensification of movements to or from the site.

The LHA does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (paragraph 116), and that there are no transport grounds to resist the proposal.
