Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	This was first suggested over 40 years ago to my knowledge and despite several applications since has always been refused planning. The objections still stand. It would mean the loss of green open land on the outskirts of Horsham town, yet more pressure on our infrastructure such as doctors and dentists and increased traffic on our roads which are already saturated. Turning into and out of nearby roads such as St Leonard's Road,

Sandeman Way, Kerves Lane and Magpie Lane is already difficult and this development would make it worse. Please do not allow this planning application.

Kind regards
