Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	Another 180 dwellings = 2 cars per family = more traffic in the surrounding area & pollution. More pressure on local facilities hospitals doctors practices. Loss of more countryside and animal habitat. There's already been a lot of pressure put on local facilities with all the building that's been going on in and around the Horsham area over the last 10 years

Kind regards
