Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	If approved this development would cause damage to the natural rural beauty of the area, would generate significant disruption to traffic and impact on natural habitats for numerous forms of fauna. It would place additional and unacceptable stress on community

services at a time when Horsham services are swamped and bordering unviable. We strongly object!!

Kind regards
