Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I strongly object to this proposed development. Increased traffic will affect safety for parents/children walking to schools, more places required at local primary and secondary schools. More pressure on local GP surgery. Most importantly loss of another green field which will take away privacy of houses which the new development will overlook, and the detrimental impact on wildlife.

Kind regards
