Customer Details

Address: 111 Saint Leonard's Road Horsham

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Wrong place and certainly wrong number. Pathing over more green space removing habitat. Although one of the submitted reports started this is not otter territory but did admit sightings in transit therefore would be a

disturbance. Again report admitted water vole's habitat was present but dismissed any presence at the time in probably a quick inspection.
Building on this area would increase run off to local stream and a steep bank is present which would be effected.
This is most defiantly a wild life area that would be destroyed.
Save our green space and build on brown sites as apartment blocks reducing the footprint on our lovely market town.
It's being destroyed piece by piece.

Kind regards
