Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I highly object to the proposal of homes to be built on this land. It is a beautiful landscape as one enters historic Horsham. There are many varieties of wildlife living there, and the thought of houses being built is outrageous. Not to mention the numerous cars that will use Doomsday Lane and Hammerpond road which is

just not suitable for high flow traffic. The drainage issue will no doubt get worse. Please reconsider this ludicrous proposal.

Kind regards
