Dear Sir/Madam,

Installation of a temporary modular classroom building, with associated works including the installation of fencing

Storrington County Primary School Spierbridge Road Storrington Pulborough

I refer to the consultation received in this office on 7th August 2024 concerning the above site.

The addition of one modular classroom would facilitate the continued use of the school and would not be expected to provide intensified level of activity in the area so no further comment on amenity will be provided. The classrooms are not of great aesthetic quality; however, they are temporary and it is considered the visual harm will therefore be limited.

This Authority therefore has **no objections** to the principle of the development.

Yours faithfully

Emma Parkes
Head of Development and Building Control
