Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Other
Comments:	I am writing on behalf of the Horsham Society to object strongly to this application. The proposed lighting, in design, construction, and impact would be completely out of character with the Conservation Area, and would be seriously detrimental. We therefore support the views of the Conservation Officer and ask that the application be refused. [redacted] A/Secretary, Planning Sub Committee
