Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking
Comments:	I object to this application on the basis that the proposal does not align with the agreed Henfield Neighbourhood Plan for single storey buildings. What is the point of having such an agreed plan if it is just going to be ignored! In addition, the only access to this site would be via The Daisycroft, which is a private road. How does that work?

Kind regards
