YOUR COMMENTS ON THE CASE

Please refer to my previous comments on the original application, nothing has changed since prestige were denied their planning to run lorrys throughout the night, they are still regularly run o before 5am and after 7pm, this should 100% be rejected, and further applications should be refused and the company penalised for every breach of their conditions. The residents of Coolham should not be subjected to this noise and disturbance, and blatant disregard by prestige for the rules set out for this site, and to be honest they should really relocate and should never have been granted permission to operate from this site in the first place.
