Application Number: DC/25/1980

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr Darren Seward

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby REFUSE to permit the works specified hereunder, that is to say:

Erection of 2no. detached single storey self-build / custom-build dwellings with associated works.

Brooklands New Hall Lane Small Dole West Sussex

as shown on Plan and Application Number DC/25/1980 submitted to the Council on 09/12/2025. The reasons for the Council's decision to refuse to permit the above works are specified hereunder.

- 1 The development would enable a residential use within a countryside location outside of the built-up area boundary of any settlement, on a site which has not been allocated for development within the Horsham District Planning Framework or an adopted Neighbourhood Plan. The development would be contrary to the overarching strategy and hierarchical approach of concentrating development within the main settlements and is not essential to its countryside location. There are no material considerations which outweigh this harm, and the proposal represents unsustainable development contrary to Policies 1, 2, 3, 4, and 26 of the Horsham District Planning Framework (2015), Policy 1 of the Henfield Neighbourhood Plan (2021) and the National Planning Policy Framework (2024).
- 2 The siting and layout of the proposed development would relate unsympathetically with the existing pattern of development and would represent overdevelopment of a backland setting. The proposal would result in a loss of the open rural character to the rear of the application site and would be in terms of scale and appearance, visually incongruous with the dwellings within the locality. Given the harm arising from the proposal, the development would be contrary to Policies 25, 32 and 33 of the Horsham District Planning Framework (2015).

ADDITIONAL INFORMATION

Right of Appeals

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at <https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>.
