Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	This application should not be given consideration as it is not part of the current neighbourhood plan. Eastlands Lane was not deigned to be used by traffic but only by those used in farming which still continues. The Henfield Road access is already hazardous and congested and will lead to serious motor accidents

Kind regards
