Subject: DC/21/2257 - Woodhouse Farm Wheatsheaf Road Woodmancote West Sussex

Dear Rebecca

Further to our comments made on the 12 November on the above application, I would like to submit the additional comments which were omitted in error.

- concerns regarding additional traffic on a single track road, added demand for water may create water pressure issues for nearby properties due to them not being on mains water and the application requires a water neutrality statement setting out the strategy for achieving water neutrality within the development as advised by HDC.

I appreciate the closing date for comments was the 16 November, but hope that you will be able to accept these additional comments, which I have also submitted via the planning portal. Many thanks.

Kind regards

Sarah
