Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	There is so much development on this part of Horsham. It affects traffic, the traffic in the Crawley Road trying to get into Moorhead roundabout is terrible in the morning and evening and more cars is really not going to help at all. Why is the area designated an Area of Outstanding Beauty when you can just come along and build in it. Once it gone you will never get it back, it's time to stop the building on our wonderful green fields. The farmer displays a sign No Farmers no food perhaps you should think of that before you let the bulldozers in

those stunning fields. What about the wildlife too??
There are so many reasons not to allow the first phase of houses
to be build on those fields. Please let this be the start of a new
view that we cannot just build wherever we like.
Surely Mowbray estate is gong to be massive so let's stop now!!
Please

Kind regards
