Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	We are already warned not to use too much water, shortages will be made 180 times worse, our infrastructure is already overburdened - traffic, healthcare, schooling, plus we need this farmland/green space more than we need houses for investors (more likely than genuine need for homes) as evidenced by recent developments with many units up for rent.

Kind regards
