Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	I am writing on behalf of the Horsham Society to object to this application. This application is essentially seeking to create a separate property within the curtilage which would create an unacceptable precedent. Any additional accommodation should be provided through an extension to the main property itself. However, if HDC is minded to approve the application there should be a condition that precludes it ever being used as a separate housing unit. [redacted] A/Secretary Planning Sub Committee
