Good afternoon Matthew,

As requested, please see the attached drawing, as evidence that the lighting design has been informed by ecologist input.
We have approached the original Ecological Consultant, Allen-Allen, who has reviewed the lighting proposal and has confirmed it meets their requirements.
Penelope Allen has revised their drawing and added a note to capture their approval of the external lighting scheme, as per the attached drawing and email below.

I trust this enable you to discharge this condition.

Regards

Colin Coulthard ACIAT
