Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	I would strenuously request that more information be submitted by the applicant before this application is considered. A slurry bag is likely to cause considerable discomfort to nearby residents, the nearest domestic properties are located within a few hundred meters of the proposed site and would be affected by noxious odours and the inevitable swarms of flies this would attract. I reserve the right to alter my stance to "object" should the information not be furnished.

Kind regards
