Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	Will the council please bear in mind that a large proportion of dogs taken to the proposed facilities have behavioural issues (hence the need for a fenced individual area). This dog walking area is adjacent to a bridleway well used by local horse riders. I would like to highlight the health and safety risk to horse riders and urge that the council ensure a plan B is in place if and when an accident happens

Kind regards
