Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I strongly object to this proposal for the following reasons: There is a lack of local infrastructure, especially hospitals, doctor surgeries and emergency services (all unable to support the current need); The land is part of the High Weald National Landscape. Wildlife and eco-systems will be adversely affected; I walk here every day,

and see deer and other wildlife - all this will be destroyed.
The traffic congestion at Moorhead roundabout is currently very bad, with frequent huge tailbacks. This proposal will make it significantly worse;
There will a loss of General Amenity and increasing Overdevelopment in the area. It will be a very sad loss to the town of Horsham.
I strongly object to this proposal.

Kind regards
