Address: Bacons Cottage Bakers Lane, Shipley Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Dear Planning Officer, I am writing to express my support for the proposed new-build dwelling within Shipley Parish. Having reviewed the proposal, I believe the development represents a well-considered and appropriate addition to the parish. The design appears sympathetic to the character of the local area and has the potential to enhance the built environment while respecting the surrounding landscape and neighbouring properties. The proposal will contribute positively to the local housing stock

by providing a high-quality new home within the parish. Sensitive development of this nature can help sustain rural communities by supporting local services, businesses, and the long-term vitality of the area.

Furthermore, the scale and appearance of the proposed dwelling appear proportionate to its setting and consistent with the established pattern of development within the locality. The application demonstrates consideration for environmental impacts, access arrangements, and residential amenity, which are important factors in achieving sustainable development.

In my view, the benefits of the proposal outweigh any limited impacts that may arise, and I therefore respectfully encourage the Council to grant planning permission.

Thank you for considering my comments.

Kind regards
