Subject: Slinfold Parish Council Comments September 2024
Categories: Consultations

DC/24/1271 19 Streetfield Road Slinfold West Sussex RH13 0SE Fell 1x Oak.

Object- The Parish Council's tree wardens believe the tree has dead wood but the West side looks healthy. Therefore the Council does not believe the felling of this TPO tree is justified and that removal of deadwood would suffice.

DC/24/0705 Waterside Five Oaks Road Slinfold West Sussex Change of use of the ex-garage and food preparation to habitable accommodation ancillary to the main dwelling and erection of a rear and side extension to building.

No objection

DC/24/1336 Haynes Agricultural Ltd Clemsfold Corner Guildford Road Clemsfold Installation of 1x non-illuminated free standing sign.

No objection

DC/24/0672 Oakwood Farm Five Oaks Road Slinfold Horsham Erection of an agricultural storage building.

No objection

DC/24/1455 Little Park Park Road Slinfold West Sussex Fell 1x Horse Chestnut.

Object- The Parish Council's tree wardens advised this is a healthy tree so the Council can see no reason why the application is justified.

Kind regards
Mike Simpson
